SAMPLE

Dear [Legislator's Name],

I am writing to express my support for MIFA's restoration of Holyoke's Victory Theatre and the role the arts can play in the vitality of our community and to urge you to support the renovation.

Having a 1,600-seat Performing Arts Center open downtown will make the city center more inviting, economically vibrant, bring jobs and visitors, and transform the cultural district.

Western Mass has no large-scale venue limiting the cultural offerings available. Having the only theater capable of presenting Broadway shows on tour in the three counties of Western Ma., will provide the financial anchor for the institution and attract audiences from across the region to Holyoke.

I urge you to support federal funding for MIFA's Victory Theatre renovation. Together, we can ensure that the arts continue to thrive in Massachusetts, enriching our lives and strengthening our communities.

Thank you,
